Yakiniku · 焼肉 

Singapore's first Ohmi Wagyu beef yakiniku experience offers a culinary journey into the sublime world of Japanese barbecue.

Ohmi Wagyu, a prestigious variety of beef from the Shiga Prefecture, is renowned for its exceptional marbling, tenderness, and rich flavor, making it a standout choice for yakiniku—a style of cooking where diners grill bite-sized pieces of meat at their table.

This dining experience in Ushiyama promises not only a taste of luxury but also a cultural immersion, as guests savor the delicate balance of umami and the melt-in-your-mouth texture unique to Wagyu beef.

The ambiance typically complements the refined nature of the cuisine, often featuring elements that evoke a traditional Japanese setting. This gastronomic adventure is perfect for food enthusiasts eager to explore the nuances of premium Japanese beef in a vibrant and cosmopolitan city like Singapore.
